Step 6: Select Organization Type

On this page, select your organization type. For most of you, this should be “Manufacturer”. However, if you feel that you are a researcher or workforce organization, you can select that here. If you are unsure, select “Manufacturer” for now and then you can change it to a different entity later if needed.

The screenshot shows the 'Select Organization Type' page of the CONNEX marketplace. On the left is a sidebar with a vertical list of steps: 1 Welcome, 2 Organization type (highlighted with a blue bar), 3 Organization overview, and 4 Next steps. The main content area has the CONNEX marketplace logo at the top left. Below the logo, the heading 'Let's get started by identifying your type of organization' is followed by a question mark icon. A subtext reads: 'If multiple options apply to your organization, select the one that is most appropriate.' Below this are three selectable options, each with an icon and a description. The 'Manufacturer' option is highlighted with a blue border and a mouse cursor. The 'Research & Development' option features a microscope icon. The 'Workforce' option features an open book icon. At the bottom right of the main area are two buttons: 'BACK' (active) and 'NEXT' (disabled).

Step 7: Enter Your Basic Organization Information

Enter some basic information about your company such as your name, website etc. As you enter this information, the system will search through 140K records to identify potential matches. If it finds a match, you will want to claim that profile, rather than create a new one. However, pay special attention to the potential match as it may be a company with a similar name in another state etc. You'll want to make sure you are selecting the right match.

The screenshot shows a web form for creating a new account on the CONNEX marketplace. On the left is a sidebar with a navigation menu containing six items: '1 Welcome', '2 Organization type', '3 Organization overview' (which is highlighted with a blue bar), '4 Organization details', '5 Subscription', and '6 Next steps'. The main content area is titled 'Let us know some basic information about your organization' and includes a help icon (question mark in a circle). The form fields are as follows: 'Name' with the value 'Acme Manufacturing, Inc'; 'Address' with a dropdown menu and the placeholder text 'Let me type the address parts'; 'Phone number (optional)' with the value '(555) 555-5555'; 'Website (I don't have a website)' with the value 'https://acmemfg.com'; 'DUNS number (I'll provide this later)' with the value '123456789'; a text area for 'Tell us a little about your organization (optional)' containing the text 'We offer training programs for ISO, internship and apprenticeship opportunities...'; and a final optional field 'How did you hear about CONNEX Marketplace?'. At the bottom right are two buttons: 'BACK' and 'NEXT'.

On this screen, you will need to select your subscription plan. See the next two pages for an explanation of the various options:

- Option 1: Free "Sponsored Access" - Depending on what state your company is in, you may receive free sponsored access from your local Manufacturing Extension Partnership organization. If you are in a state that qualifies (based upon your address that you entered in Screen #3) then you will automatically see the free "Sponsored Access" available. If you are ONLY registering for the free state access (and not the entire national database access) then select the "Sponsored Access" box and click the "Register" button.
